MESSAGE

It gives me great pleasure to learn that Dr. Rajendra Prasad National Law University, Prayagraj is releasing a souvenir to mark the occasion of its inaugural day.

The establishment of Dr. Rajendra Prasad National Law University (RPNLU) is a testament to our collective vision for a society founded on the principles of justice and equity. Named after one of our eminent leaders, the first President of India, late Dr. Rajendra Prasad, this institution symbolizes dedication to excellence, knowledge, and service to the nation. Legal education, deeply rooted in the principles of justice and fairness, plays a pivotal role in shaping the societal fabric. I am confident that RPNLU, Prayagraj will go beyond imparting knowledge of statutes and judgments and will instill in its students ethical values, sense of responsibility, and commitment to serve the nation.

On this occasion, I extend my warm greetings and felicitations to the faculty, students and staff of the University. I wish the celebrations every success. May this institution be a beacon of enlightenment, fostering the values of justice, equality, and integrity.
